

bSend to Mountain Station

When you're going to send a package with Bussgods you need to fill out a shipping note, these are the steps you need to follow to correctly fill out the form when you're planning to send to a Mountain Station. The shipping note you create here: <https://bussgods.se/internetfraktsedel>

As an example, sending a package to Kvikkjokks Mountain Station.

<input checked="" type="radio"/> Privatperson	
* Namn	* Mobilnummer för sms-avisering
<input type="text" value="STF Kvikkjokk Fjällstation"/>	<input type="text" value="0701234567"/>
* Adress	E-postadress
<input type="text" value="Storvägen 19"/>	<input type="text"/>
* Postnummer	Mottagarreferens
<input type="text" value="96202"/>	<input type="text" value="B-G Svensson"/>
* Postadress	
<input type="text" value="KVIKKJOKK"/>	

It's important that you fill out the name of the person that's going to do the pickup in *Mottagningsreferens (recipient reference)*. Also important with a correct telephone number to the recipient so that person can be notified by text. Unfortunately, our system only can handle Swedish mobile phone numbers.

In the box labeled *FRITEXT* you write the estimated day of arrival.

FRITEXT	<input type="text" value="Anländer 5-6 juli"/>
